## 2,000 ACRES ARE NOW SIGNED FOR

ACREAGE FOR BEET FACTORY  
IS ALMOST ASSURED

Emery County Making Rapid Progress  
In Matter of Securing Proposed  
Railroad and Sugar Factory—  
Meetings Being Held In Various  
Towns—Other News of Interest.

CASTLE DALE, May 26.—There  
must be two thousand acres of beets  
now signed for in Emery county, ex-  
clusive of the Austin farms land  
where seven hundred and fifty acres  
are guaranteed to help make up the  
seven thousand acres necessary to en-  
sure the sugar factory and railroad.  
And, though this is a pretty good  
showing for the work done, it is far  
short of what we have got to have to  
hold up Emery county's end of the  
proposition. Emery county will have  
to secure at least four thousand acres  
exclusive of what the Austin interests  
have promised, to make the thing a  
success. Emery seems to be leading  
the other towns of the county so far  
in the campaign for acreage, report-  
ing nearly six hundred acres signed  
up in that vicinity. The secretary of  
the joint committee now has in his  
possession signed contracts calling  
for three hundred and fifty acres  
from Castle Dale, two hundred and  
sixty-seven acres from Huntington,  
fifty-five acres from Lawrence, and  
seventy-four acres from Moen. There  
is besides this quite a volume of signed  
acreage not yet sent in. A fairly  
well attended meeting was held at  
Castle Dale last Tuesday night attended  
by Messrs. Brinkerhoff, Williams,  
Petrey and Anderson, committeemen  
from Emery, and Peter Neilson and  
William Hitchcock, committeemen  
from Huntington and Clayton, re-  
spectively. There was an excellent  
spirit prevailing and ninety-nine acres  
of beets were signed up before the  
meeting adjourned. Victor C. Anders-  
en and E. W. Dalton were appointed  
to assist the other members of the  
local committee in securing acreage  
and have done exceedingly well so  
far. Another meeting was held at  
Huntington on Thursday night, at-  
tended by Chairman C. E. Larsen and  
Committee-men Brinkerhoff and  
Hitchcock. Parley Jensen, the sugar  
beet expert who is employed by the  
Utah-Idaho Sugar company to look  
after this year's experiments in beet  
raising, and Robert H. Stewart, farm  
demonstrator, were also present and  
gave instructive talks along the line  
of sugar beet culture.

Quarterly conference of the Em-  
ery stake was held at Ferron last  
Saturday and Sunday with Apostle  
Joseph F. Smith, Jr., in attendance,  
together with Miss Sarah McClelland  
of the relief society general board and  
Miss Dee of the primary board, sev-  
eral of the sessions being specially  
for workers in these two auxiliary  
organizations. Elder Smith's talks were  
largely along the scriptural line, while  
the ladies' remarks were all timely  
and will be of great assistance to  
workers in the respective organizations.  
Each of the ladies congratulated  
the people of the stakes on the  
interest and spirit manifested by the  
people and of the work being done by  
the stake workers.

After ten years of good faithful  
service as bishop of Huntington ward,  
the resignation of Anton Nelson, one  
of Huntington's most solid men and  
an ever alert booster and conscientious  
father to the ward, was accepted  
and Elder L. Heber Leonard was  
sustained in the position at a meeting  
held last Sunday evening attended by  
Elder Joseph F. Smith, Jr.

Mrs. Maud Jensen of Cleveland,  
who was operated on last week, was  
in a very critical condition at first,  
but is now reported to be getting  
along nicely. All the other sick people  
are reported to be improving.

Mrs. F. H. Brown (nee Peacock)  
left yesterday morning for Innsbruck,  
Alberta, Can., where she joins her  
husband, who is going into the live  
stock business on a large scale. Mrs.  
Brown has been making an extended  
visit with relatives and friends in  
Cleveland and Castle Dale.

Mrs. Louis Jacobson of Emery is  
visiting friends in Cleveland.

Mrs. Lila Day returned last Saturday  
from Nevelin, where she has been  
teaching school.

Mr. and Mrs. Allie Jones are wel-  
coming a fine baby boy which arrived  
yesterday.

The county commissioners held a  
two and a half day session as a  
board of equalization Monday, Tues-  
day and Wednesday of this week.

The Castle Dale ball team won the  
game with Huntington last Friday,  
but lost the game with Orangeville on  
Sunday on the local field, score five  
to two.

The colored colony at Mohrland is  
"in bad" with a robbery and another  
settling occurs on the dockets. The  
adult committee of the robbery re-  
presents in the county jail.

John Barnard, construction fore-  
man on the Straight Canyon road, re-  
turned Sunday and now has some  
thirty men at work in the canyon. He  
reports good progress on the other  
side.

Mr. and Mrs. James Anderson are  
happy in the arrival of their first  
baby—a fine boy—which came to  
town Thursday morning. Mother and  
 babe are getting along nicely.

Friends of Mr. and Mrs. John Lewis  
of Ferron will rejoice with them  
in the addition of a big boy last Friday  
morning and in the fact that the  
youngster's daddy was able to put in  
part of the time as town "cooper."

Mother's Day was observed Sun-  
day, the 13th, at Orangeville, in a  
very appropriate manner. The la-  
adies aid club got up a very nice pro-  
gram and it was rendered in a very  
pleasing style.

The Cleveland "town board" is very  
busy at present getting everything set  
in running order. They have em-

ployed Attorney F. E. Woods to draw  
up their incorporation papers. Joseph  
Hanson has been appointed  
marshal at a salary of ten dollars per  
month. Elmer Erickson was ap-  
pointed clerk and treasurer, salary to  
be fixed later.

John H. Cox and wife of Orange-  
ville welcomed an increase of another  
boy in the last few days and all doing  
well.

John Moffitt of Orangeville came  
home from the reservation bearing  
corral a few days ago sick with what  
was then pronounced tick fever, but  
is now improving. W. H. Jenkins  
came home to get away from it, but  
he took down after he reached home  
and is now sick. This makes about  
twenty men who have been taken sick  
at the same corral and had to quit  
their jobs before they were through.  
Bert Childs had to go to the hospital  
in Vernal, but is now convalescing.

Quite as number of the young men  
of Orangeville have gone up on the  
Straight Canyon road to work. There  
are about thirty men employed now  
in the canyon and we understand that  
more will be put on in a few days.

If the amendment to the pension  
bill just passed by the senate and  
house of representatives becomes law,  
Orangeville will have nine veter-  
ans and four widows of veterans who  
will be beneficiaries of the act.

Sunday Miss Myrtle Peterson entered  
mice for Miss Anna Jameson. Those  
present were the Misses Anna Jameson,  
Hattie Hickman, Lila Day, Geneva Jorgenson, Sarah Han-  
son, Jennie Seely, Naomi Aas, Alta  
Acord, Atlanta Berg, Ruth Talbot,  
Inez Day, Vera Berg, Alice Talbot,  
Oneta Seely and Vern Peterson. Cecil  
Day, Una Acord, Leslie Crawford,  
Bryan Head, Alvin Gurman, Lorin  
Fullmore, Hazel Lake, Ralph Johnson,  
Meine Winters and Arnold Livingston.

Miss Venie Johansen entertained  
Sunday for Stanley Jensen, Miss Oral  
Crawford and Eugene Johansen last  
Wednesday evening.

Mrs. Hyrum Seely entertained last  
Wednesday for Mrs. Dennison, Mrs.  
Shiner, Mrs. Larsen, Mrs. Clara Seely,  
Mrs. Orange Seely, Sr., Mrs. Danna  
Vance, Miss Jennie Seely and Miss  
Una Seely.

The Crochet club met Thursday  
with Mrs. Blanche Paddis, Mrs. Emma  
Dixon, Mrs. Mae Browning, Mrs. Lois

Alice Lamph, Mrs. Edith Dylas, Mrs.  
Edna Williams, Miss Sarah Green, Mrs.  
Mae Hazel Acord, Miss Crystal Be-  
hunin, Miss Effie Day, Miss Venie  
Johansen and Miss Oral Crawford  
were present.

Mrs. Orange Olson is entertaining  
Mr. and Mrs. W. Brown and Mrs. Pen-  
ske of Green River.

Mrs. Paul Christensen is visiting at  
Mt. Pleasant.

Mrs. Harold G. Jensen entertained  
at ten Wednesday for Mrs. S. P. Snow,  
Mrs. J. M. Graham, Miss Dorothy  
Snow and little Jack Graham.

Mrs. A. Shiner entertained Thurs-  
day.

The Sunday school teachers and of-  
ficers met with Mr. and Mrs. H. W.  
Dalton Wednesday.

George M. and Mina Miller of Hun-  
tington, who signed up for thirty  
acres of beets, are ready to go down  
for thirty more if necessary, accord-  
ing to Mrs. Miller. Henry Thompson,  
deputy fish and game warden for this  
district, has signed up for twenty  
acres. Mayor C. E. Larsen and Carl  
Wilbers of Castle Dale offer twenty  
and ten acres, respectively, of the pick  
of their land with free water for three  
years to anyone who lacks land and  
wants to grow beets, and this example  
could well be emulated by others who  
have plenty of land throughout the  
county. James Jeffs of Castle Dale  
yesterday signed up for twenty-five  
acres. Five Castle Dale business and  
professional men, who will have to rent both land and water  
and hire every bit of labor done, have  
signed up for twenty-five acres and  
practically every other business or  
professional man is down for five  
acres or more. Mrs. Mollie Hambrick  
of Castle Dale, who had the misfor-  
tune to lose her home by fire last  
fall, is reported to be waiting to  
sign up for one acre of beets on her  
vacant city lot.

**WHOOPING COUGH.**

When my daughter had whooping  
cough she coughed so hard at one  
time that she had hemorrhage of the  
lungs. I was terribly alarmed about  
her condition. Seeing Chamberlain's  
Cough Remedy so highly recommended,  
I got her a bottle and it relieved  
the cough at once. Before she had  
finished two bottles of this remedy  
she was entirely well," writes Mrs. S.  
P. Grimes, Crooksville, O. Obtainable

### WANT DOGS MUZZLED

#### PORcupine Utah Mascot IN SUFFRAGE PARADE

WILL ASK GOVERNOR TO ISSUE STATEWIDE PROCLAMATION.

Following advice that rabies has broken out on the ranges in Utah and Tooele counties, C. B. Stewart, secretary of the Utah Woodgrowers' association, Monday consulted with Gov. William Spry in reference to notifications to residents of the two counties that their delegations will be accompanied by animals.

California suffragists started the move by producing a tame grizzly bear. Illinois followed by adopting an elephant. Wyoming a buffalo. Colorado a mountain goat. Utah a porcupine. Idaho a black bear. Oregon a cinnamon bear. Washington an eagle. Arizona a lizard. Kansas a pig. Montana a mountain lion and Nevada a muskrat.

Advices from Washington, D. C., Tuesday night stated that the senate appropriations committee had approved an item of \$125,000 for fighting rabies. The appropriation bill will be returned to the senate after the joint meeting with the house appropriations committee. Dr. F. E. Murray, head of the bureau of animal industry in Salt Lake City, says that if the bill passes congress the biological survey will have charge of the distribution of the money in the states of Utah, Idaho, Wyoming, Nevada, Arizona and Colorado.

The woodgrowers are urging a statewide proclamation compelling owners of dogs to muzzle them at once, to check the spread of rabies. As the disease has made its appearance in the most populous part of the state the fear is expressed by Dr. Murray that it may arrive in Salt Lake county and that dogs may communicate the disease to humans.

While effective work has been done to suppress, as far as possible, rabies on the west coast the discovery of the disease in Utah and Tooele counties has added to the gravity of the situation.

### MOYER MEETS OPPOSITION POWELL WANTS PRESIDENCY

DENVER, Colo., May 22.—Opposition to the reelection of Charles H. Moyers, president of the Western Federation of Miners, was indicated today by the publication of the complete list of nominees to be voted upon at the annual meeting at Great Falls, Mont., July 15th.

George W. Powell of Miami, Ariz., has been nominated to oppose Moyers for president. George Dingwall of Roseland, B. C., opposes the reelection of Ernest Mills of Denver as
